Celebrating  
25  
years

Where  
Hope  
Grows

# Letter from President & Executive Director:

## *A Time To Celebrate*

This past year marked the 25th Anniversary of Bridge of Hope Lancaster & Chester Counties! We welcomed the opportunity to celebrate our past and to plan for our future. One of the year's highlights was the Founders' Day Luncheon, at which our "founding mothers," Sandy Lewis and Linda Witmer, were honored for their vision and passion that led to the birth of our organization. We also had the opportunity to recognize many others who have made contributions to Bridge of Hope Lancaster & Chester Counties over the years.

We are truly blessed as an organization! While it was not possible to publicly acknowledge everyone who has impacted Bridge of Hope Lancaster & Chester Counties over the years, we would like to take this opportunity to express our gratitude for what you have done. Without the prayer and support of people like you, we would not be where we are today. We thank you for being a Partner in Hope and for helping us to continue to make a lasting impact in Lancaster and Chester Counties in the years to come.

## MISSION STATEMENT

*The mission of Bridge of Hope Lancaster & Chester Counties is to assist single mothers, with dependent children, experiencing homelessness to secure permanent housing, stability and access to resources in their community through relationships with professional staff and mentoring friendships from local congregations.*

# HIGHLIGHTS OF THE YEAR

53\* single mothers and their 103 children participated in our program increasing the number receiving services by 20%.

Over the last three years, over 80% of participants completed the program successfully, attaining financial stability through employment.

296 mentors from local congregations provided care and encouragement to 38\* families receiving our services.

519 other volunteers, 9 full time staff, 7 part time staff, and 13 volunteer board members helped make our work possible.

Home visits strengthened parenting skills for 25 mothers and 46 children. To promote literacy, books were provided monthly for each child receiving services.
