

Nonprofit Gains Funds

Bridge of Hope Lancaster and Chester Counties received an \$8,000 donation in November from the TD Charitable Foundation.

Bridge of Hope Lancaster and Chester Counties assists single mothers who have dependent children and are experiencing homelessness to secure permanent housing, stability and access to resources in their community. The group will use the TD

Charitable Foundation funds to provide more services, including resource development, life skills education, career counseling, referrals to job training programs, and emotional and financial support.
